

2008 BONSPIEL DATES UPDATE AS OF 8-7-07

Please note changes from the Newsletter just sent. We need Chairs for the Women's Spiel because it was miswritten that Kim Rheume and Todd Birr were Chairing but they are chairing the 2008 Men's and Women's Club Championships not the Women's Spiel. We now have Chairs for the Bunny Spiel but they would like Co-Chairs yet for the Bunny Spiel so if interested in Co-Chairing the Bunny Spiel contact Russ Weingartz, Roxie Weingartz or a board member.

Men's Spiel - February 1st, 2nd and 3rd
Chair Person - Todd Birr

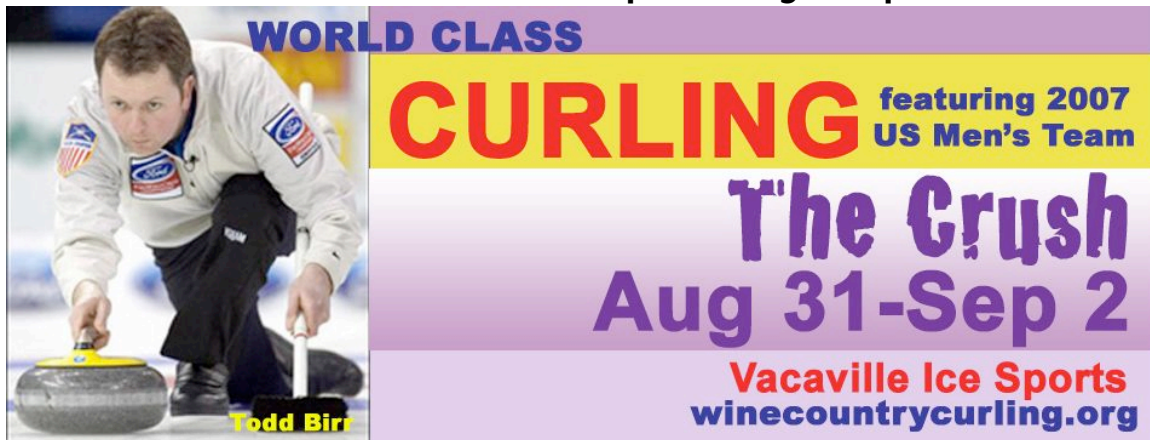

Women's Spiel - February 22nd and 23rd
Chair Persons needed for this event so contact a board member if you are interested in chairing this event.

Note, we had to move the date of the Women's Spiel from the 1st weekend in March as this is when that is traditionally held due to the club holding the 2008 Men's & Women's Club Championships that weekend.

2008 Men's & Women's Club Championships - March 1st- March 8th
Chair Persons - Kim Rheume & Todd Birr

Bunny (mixed) Spiel March 28th, 29th and 30th
Chair Persons - Russ Weingartz and Roxie Weingartz
Co-Chairs - Needed

2007 US Men's Team makes a billboard promoting the spiel in California.

The billboard is divided into two main sections. On the left is a photograph of a male curler, Todd Birr, in a white jacket with USA patches, leaning over a curling stone on an ice rink. On the right is a text-heavy graphic with a purple-to-yellow gradient background. At the top left of the graphic, the words "WORLD CLASS" are written in blue. Below that, "CURLING" is written in large, bold, red letters. To the right of "CURLING", it says "featuring 2007 US Men's Team" in blue. The main title "The Crush" is in large, purple, stylized font, with "Aug 31-Sep 2" below it in the same color. At the bottom, "Vacaville Ice Sports" is written in red, and the website "winecountrycurling.org" is in blue.
